

Mill Lane.
(off Waterway Road)
LEATHERHEAD
Nearest postcode KT22 9AA
About 1 mile from M25 J9

The 'Surrey Society of Model Engineers' invites locomotive and miniature traction engine owners whether steam, electric or Internal Combustion (Petrol only) to our: -

Open day on Saturday 26th September 2026
Gates open from 9.30am

Raised track of some 960ft for 5", 3¹/₂" and 2¹/₂" gauges and ground level of over 1.2 Km in 5" and 7¹/₄" gauges that now includes the new bridge extension. There will also be an area to park and run miniature traction engines.

- Children may attend but must always be supervised.
- Light refreshments will be available.
- Picnic tables and space for Gazebo if needed.
- Parking within the site for engine owners.
- Car park opposite our site for visitors and additional vehicles
- There is a 2m height barrier in Mill Lane so please let us know if you will need this opened on the day and we will send you a contact telephone number to call when you arrive.

Please send an email to John.maton@ntlworld.com to let us know how many will be in your party (for catering) and what you will be bringing along to run.

DON'T FORGET TO BRING YOUR INSURANCE AND BOILER CERTIFICATES!!
